Lakewood Village TX Neighborhood Watch

Welcome to "The Town Watch"

The revitalized LWV Watch Program had a great kickoff and terrific attendance on Saturday, Aug 15 with a Block Captain Breakfast at Janie & Gary Newsome's home. Thank you Janie & Gary for hosting this event, our cooks; Janie & Gary, Charlie & Joni Lehan, and Sarah Bennett plus Paul Bowers for providing the yummy donuts AND all the Block Captains who attended.

Denton County Deputies Charley Smith & Penny Campbell along with Chief Rex George provided an abundance of information along with some great Q & A from the group. They could be seen cruising around LWV after the meeting... Hope you got a chance to see them!

Block Captains came from all over LWV, with many meeting each other for the very first time, immediately becoming friends and coming together with a common goal in mind. All want to keep LWV a safe place to live and enjoy while using the best crime fighting tool ever intended - Being a watchful neighbor!

The active participation of our residents and in cooperation with the Denton County Sheriff's Office is the key to reducing criminal activity in our town. Crime watch programs are the most effective means available for keeping crime out of communities.

Our block captains have been tasked with getting out in our LWV community to introduce themselves to those near and around their homes. They have flyers and valuable information to share with you!

Watch for some fun upcoming events involving our entire LWV community!

In the meantime, get to know your captains, ask questions if you have them, stay aware & report any unusual activity to the Denton County Sheriff office.
